Like you, we here at Small Friends know that quality early education and care for children are among our greatest needs as a community.

The economic reality of living on Nantucket necessitates most parents of young children work outside the home. Did you know that child care is not publically funded? Small Friends relies on donations to keep our doors open. By staying open year-round, we make it possible for parents to maintain their jobs and keep Nantucket running, knowing that their children are in a safe and nurturing environment. In order to continue our mission, Small Friends needs your support. Please consider a donation to help fund this important work. Thank you.

Your neighbors are looking for things to do in fact a neighbor brought this to you. On your front door is where it should hang to help ward off winters icy pangs. The things that came with coupled note are yours to keep enjoy them both. The fun begins when friends like you will copy this note and make it TWO. Along with this note, add a snowball then on a neighbor secretly call. Be sure to add some nice little treats like something cute or something sweet. On your window or door the snowman must sit or you might find yourself twice hit. Please join the fun, lets really share it.
