

Welcome to Small Friends! The only Early Education Center serving the vibrant and diverse Nantucket community from infants through preschool. This is an exciting time for your family, especially for your growing little one. Schools can teach many things. Our loving and knowledgeable staff work to plan the day, month, and year in accordance with the needs of your young child. The experiences at Small Friends encourage children to interact with the world around them, express themselves creatively, gain foundational academic skills, and communicate with each other. When age groups are fully enrolled, we offer families the option to be placed on our wait list.

The Small Friends wait list is utilized primarily based on the chronological date of the application and your child's date of birth. We also include factors such as availability, developmentally appropriate placement, and consideration to the classroom balance when filling our openings.
