Dear Friends,

We are honored to share with you two very exciting events planned for 2024! This year, we will again host our annual Nantucket Art & Artisan Show virtually from July 18-21, 2024. Last year, with the help of so many island businesses, we were able to create a successful online art show and auction with something for everyone.

Additionally, we are thrilled to host our eighth annual Hometown Hoedown. Small Friends, Buckle and Shake, and The Chicken Box will again team up to create a festive and memorable evening for all on Friday, March 22, 2024.

These two events are significant fundraisers and support the day-to-day operations at Small Friends. Small Friends is a non-profit childcare center that provides dependable and quality care for the working families on Nantucket.

We would like to invite you to help us in our mission to continue providing a nurturing and responsive developmental environment our littlest islanders deserve. Your sponsorship big or small, we are truly grateful for, because it means you are investing in the future of our island community.

This year you will have the option to sponsor one or both events! Pick and choose either the Hometown Hoedown or the Nantucket Art & Artisan Show, choose the event that best compliments your business, or choose to sponsor both events and become our most recognized supporter. The choice is yours and your donation is tax deductible.

Please see the following page to choose which events to sponsor. We thank you for your continued support of our school, our children, educators and community.

Thank you in advance for your consideration,

Nichole Olson
